

Freelance lawyers at a fair price.

Dovetail was founded in 2015, with the aim to transform traditional legal delivery models and improve the lives of the lawyers and the business community we work in.

Whether you need a lawyer for an hour, a week, a few months or even permanently – we do it all.

Use Our Expertise.

With over 40 years' combined commercial and legal experience, we provide unparalleled market knowledge, insights and industry trends.

Source The Right Lawyer.

From our extensive network of quality lawyers, we select the right lawyer for your requirements.

Save Time.

We manage the process, end-to-end, ensuring it is straightforward and hassle-free.

Save Money.

We have reduced the overheads without compromising the quality of the lawyer. We have saved our clients millions in legal fees – let us do the same for you.

What clients say

“ The service was fantastic. The lawyer did an excellent job, was able to very quickly pick up what type of organisation we were, and put forward practical, business-based advice.

What our lawyers say

“ Dovetail takes time to understand your circumstances and then leverage their extensive corporate contacts to find opportunities that suit you. I highly recommend speaking to them if you are considering an alternative working model.
